23 March 2021

This workshop will consider how to reinforce the advantages that rural areas are seen to have in terms of “**well-being**”, **community spirit** and **social cohesion**.

How to build more open, vibrant and welcoming communities accessible for all?

Aim of the workshop

Through a **collective conversation**, we aim at answering **2 questions**:

- How should rural areas look like by 2040 to be more ‘inclusive and fair’?
- Which steps are needed to get there?
