Questions & Answers (Q&As)

You will find below a list of questions received for this call for proposals. Please note that the present document aims to complement and clarify the call for proposals and does not replace it. A Q&A document will be periodically published; applicants are invited to check the following website regularly:

https://ec.europa.eu/regional_policy/en/newsroom/funding-opportunities/calls-for-proposal/

Q1. We are 4 non-profit organisations from 4 UE countries. We are going to submit the proposal by a partnership made up together. We wonder if our joint application would be eligible as each organisation is established in a different country.

A1. The proposals can be submitted by a group of several applicants (consortium). Only applications from legal entities established in EU Member States are eligible.

Where proposals are submitted by several applicants, one applicant must assume the role of lead-applicant and is called the "coordinator". The other members of the consortium involved in the application are called "co-applicants". The coordinator is responsible for submitting the proposal.

In the event of a grant awarded by the Commission, a "multi-beneficiary agreement" will be signed by the coordinator on behalf of the consortium. The co-beneficiaries will provide a mandate to the coordinator for the purposes of signing and implementing the grant agreement (and its amendments) with European Commission.
